

## CENTER FOR BRAIN INJURY AND REHABILITATION

### What we do.

The Center for Brain Injury and Rehabilitation – CBIR, is designed to meet the needs of individuals requiring cognitive, physical, emotional, and behavioral rehabilitation. We assist individuals and families in achieving an improved quality of life with a post-acute brain injury, or any other condition that impairs functional capacity. Our goal is to help individuals attain maximum independence in their communities, offering a variety of person-centered supports.

### Our Supports.

- Service Coordination / Case Management
- Independent Living Skills Training
- Structured Day Program
- Personal Care Aide Services
- Home & Community Support Services

**THE POWER OF  
POSSIBILITY.**

## ELIGIBILITY

CBIR serves adults 18 years and older, living in Cortland County and across Central New York, with a functional limitation requiring supportive services at home or in the community. Liberty Resources is a recognized provider for the NYS Department of Health, Traumatic Brain Injury (TBI) Waiver Program and is an approved Licensed Home Care Services Agency (LHCSA).

# LIBERTY RESOURCES

*Here to help you live your best life possible.*

Liberty Resources was founded on two ideals - everyone deserves to live their best possible life and to be treated with dignity. We bring together behavioral health care, medical care, and social services to support and guide individuals through their whole health journey.
